

November 12, 2012

Dear Friends,

I'd like to begin our annual letter with an expression of gratitude to the Mr. South Whidbey candidates of 2012. Their participation in our major fundraising event was heroic. This year John Auburn, Rocco Gianni, Jim Wills, Nick Welles, Brain Vick, and Christian Albright committed their time, talent and vote gathering expertise to present an astounding show of mayhem and madness. They are gallant men who deserve our applause. They made the Mr. South Whidbey Pageant a fundraising success as well as an evening of unabashed entertainment. Thank you gentlemen.

Friends of Friends has come a long way from our humble beginning in 1997, serving 10 people with \$3,592. This year to date we have served over 200 people, helping with medical care, diagnostic testing, prescriptions, gas and ferry fare, and other health related costs.

Thanks to an extraordinarily giving community, this year we hope to reach \$1,000,000 in total donations. Astounding! A million dollars raised locally over the years to help South Whidbey residents. Your contributions offer physical healing and emotional support to those in financial need and directly impact the over all health of our community. As stewards of your generosity, we keep our overhead low and make certain your dollars go where they are intended.

We are asking for your continued support to reach our million dollar goal and, more importantly, to continue our mission of providing a health care safety net. Your gift of any amount will be greatly appreciated. Please send your check by mail to FOF, PO Box 812, Langley, WA 98260 or go to our website, fofmedicalsupportfund.org and donate on line. Thank you so much.

Sincerely,

Suzanne Schlicke
